## Family Case Manager Contacts Report

For August 2010

### Report Description

This report uses data collected over at the end of the current report month. The graphs and numbers for historical months also use data from the historical month listed. For the purpose of this report, a person is considered family for the child if they have the following relationships:

- Father
- Mother
- Stepfather
- Stepmother
- Grandfather
- Grandmother
- Pre-adoptive father
- Pre-adoptive mother
- Adoptive grandparent
- Legal Guardian

**Children Out of Home Entire Month** – This column shows the number of children in out of home placement at the end of the report month who also have a removal date prior to the first of the report month.

**Contact Information** – This section of the reports shows information regarding FCM contacts (from the contact screens) during the report month.

**FCM with Family** – This section of the report shows FCM contacts with the child's family (as described above) during the report month.

**Children** – This is the total number of children that the FCM had at least one contact with a member of the child's family during the report month.

**Rate** – This is the total number of children that FCM had at least one contact with a member of the child's family divided by the total number of children in out of home placement for the entire month (as described above).

**FCM with Child** – This section of the report shows FCM contacts with the child during the report month.

**Children** – This is the total number of children that the FCM had at least one contact with a the child during the report month.

**Rate** – This is the total number of children that FCM had at least one contact with the child divided by the total number of children in out of home placement for the entire month (as described above).

**FCM with Family and Child** – This section of the report shows FCM contacts with the child's family (as described above) **AND** the child during the report month. Contact with both had to have occurred for the child to be included in this section. The family and child do not need to present at the same contact, contact with each could have been made in two separate contacts.

**Children** – This is the total number of children that the FCM had at least one contact with a member of the child's family **and** at least one contact with the child during the report month.

**Rate** – This is the total number of children that FCM had at least one contact with a member of the child's family **and** at least one contact with the child during the report month divided by the total number of children in out of home placement for the entire month (as described above).
